This comprehensive Factbook provides an institutional-grade overview of True Bridge Asset Management, including corporate governance, investment philosophy, detailed portfolio descriptions, risk and compliance frameworks, ESG approach, technology and operations, and the firm's strategic outlook for 2026 and beyond.

Message from the Managing Director

At True Bridge Asset Management, our mission remains steadfast to redefine the standards of global investment through innovation, discipline, and integrity. In today's complex and rapidly changing financial environment, investors need a partner who

can transform capital into opportunity and opportunity into sustainable growth. Since our founding, True Bridge Asset Management has built a reputation for excellence by combining traditional asset management principles with cutting-edge technology and data intelligence. We have designed our services to help investors achieve measurable results through structured strategies that balance performance with security. The year 2025 marks another milestone in our journey of expansion and transformation. We are broadening our reach across markets, strengthening our sustainability agenda, and embedding advanced risk frameworks that protect investor capital in both emerging and mature economies. Our goal is simple to ensure that every True Bridge Asset Management client experiences lasting financial progress powered by trust, transparency, and precision. We move forward guided by the same values that have defined us since inception — integrity, excellence, and client-first service. True Bridge Asset Management remains your global partner in building wealth that endures.

About True Bridge Asset Management

True Bridge Asset Management is a London-headquartered, global investment firm that provides comprehensive asset management services to institutions, family offices, and high-net-worth individuals. True Bridge Asset Management's capabilities span a broad set of asset classes including real estate, energy, digital assets, foreign exchange, and alternative investments. The firm's investment approach combines rigorous fundamental research, quantitative analytics, and active portfolio management to deliver risk-adjusted returns. True Bridge Asset Management emphasizes capital preservation, transparency, and regulatory compliance in all jurisdictions where it operates.

Investment Philosophy

True Bridge Asset Management investment philosophy rests on three pillars: Diversification, Discipline, and Data Intelligence. Diversification reduces idiosyncratic risk by allocating capital across asset classes, sectors, and geographies. Discipline ensures adherence to defined risk parameters, exit criteria, and governance procedures. Data intelligence leverages proprietary models, market signals, and alternative data to identify opportunities ahead of market consensus. This integrated approach supports consistent performance across market cycles and aligns portfolio construction with each client's objectives.

Risk Management and Compliance

True Bridge Asset Management enterprise-wide risk management framework encompasses market, credit, liquidity, operational, legal, and reputational risk. We employ quantitative risk models, scenario and stress-testing, and a layered governance model including a Risk Committee, an independent Compliance function, and regular external audits. Our risk appetite statement is reviewed semi-annually, and risk limits are enforced by automated and manual controls. True Bridge Asset Management also operates comprehensive business continuity plans and incident response protocols.

Regulatory Compliance: True Bridge Asset Management adheres to the Financial Conduct

Authority (FCA) rules in the UK, MiFID

II where applicable, AML/CFT measures, and cross-border reporting requirements.

KYC and enhanced due diligence procedures are in place for institutional and retail onboarding. We maintain transparent reporting for regulators and investors.

Sustainability and ESG Integration

Veystriaital Management integrates ESG analysis into investment decisions, employing proprietary ESG scoring and third-party data to assess environmental impact, social outcomes, and governance quality. We favor investments that demonstrate measurable ESG improvements and maintain engagement programs to encourage better corporate practices. Our sustainable investment strategy includes renewable energy projects, green real estate developments, and low-carbon transition financing. True Bridge Asset Management publishes periodic ESG impact reports and aligns stewardship activities with UNPRI and GRI guidelines.

Digital Innovation, Technology & Cybersecurity

True Bridge Asset Management leverages artificial intelligence, machine learning, and cloud-native infrastructure to deliver analytics, automated trade execution, and personalized client reporting. Our platforms support high-frequency market signals, alternative data ingestion, and model governance frameworks. Security controls include ISO 27001-aligned policies, multi-factor authentication, end-to-end encryption, and routine penetration testing. Data privacy is enforced in accordance with GDPR and other applicable laws.

Corporate Governance & Leadership

Governance at liq yield vault Management is structured to ensure fiduciary accountability, strategic oversight, and operational integrity. The Board of Directors comprises experienced finance and industry professionals. Executive management is accountable for performance delivery, compliance, and ethical behaviour. Independent committees oversee audit, risk, remuneration, and nominations. External auditors and independent advisors provide objective assessments of financial reporting and controls.

Global Strategy & Expansion

True Bridge Asset Management's strategic roadmap focuses on broadening geographic reach, enhancing product capabilities, and deepening institutional relationships. We plan targeted expansions into Asia-Pacific, select African markets, and the Middle East via partnerships and joint ventures. Our approach emphasizes local regulatory compliance, talent development, and technology transfer to ensure seamless service delivery.

Client Relations & Support

Client service is delivered through dedicated relationship managers, institutional desks, and a 24/7 multilingual support operation. Clients receive customized reporting, direct access to portfolio managers for institutional accounts, and educational resources designed to enhance financial understanding and engagement.

Performance Review and Outlook

True Bridge Asset Management's diversified strategies have delivered resilient performance across market cycles. By combining conservative capital preservation tactics with opportunistic allocation, True Bridge Asset Management achieves risk-adjusted returns that meet client objectives. Looking ahead, we expect continued opportunities in real assets, energy transition financing, and select digital assets as institutional adoption grows. Our research team monitors macro indicators to refine positioning and preserve client capital during periods of volatility.
